Addendum # 1

Invitation to Tender Number: 2017013
Title: Supply and Install CAD/AVL System
Addendum issue Date: June 2, 2017
Revised Closing Date: June 23, 2017 @2pm

Information for Contractors

The following information is provided to the potential tenderers for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the tenderer or any sub-contractor not being familiar with this addendum. This Invitation to Tender #2017013 addendum shall form part of the *Contract Documents* and is to be read, interpreted and coordinated with all other parts. The following revisions supersede the information contained in the original instructions and specifications issued for the above named project. This Addendum No. 1 contains one (1) page in total.

Section B Specifications

6. (72) the system must offer the ability to host the CAD/AVL software in a Cloud "Hosting" environment making the solution web-based.

Add the following text to Section 6(72)

Note: Personal information hosted in a cloud service must be stored in Canada and may only accessed from Canada in accordance with Section 5 of the *Personal Information International Disclosure Protection Act* of Nova Scotia
